The BOA was issued to Raytheon Company, McKinney, TX. Acquisitions under the BOA have been and will be conducted on a sole source basis in accordance with the statutory authority 10 U.S.C. 2304(c)(1) as implemented by FAR 6.302-1. The basis for restricting competition was the lack of sufficient technical data, restricted software rights, duplicative cost to the Government that is not expected to be recovered through competition, and the unacceptable delays in fulfilling the agency requirement through any other source. As a result of this JO the overall contract ceiling for BOA N00164-12-G-JQ66 will remain unchanged."

Your request is assigned local Case File Number 2018-F-02. Per your email dated December 19, 2017, you indicated that you would accept clearly releasable information.

As it was received, the FOIA request stated that you agreed to pay FOIA processing fees of up to \$45.00. You were assigned into the "Commercial" fee category. As per the FOIA

Improvement Act of 2016, due to the response time to your request exceeding the statutorily regulated time there is no charge for your request

A thorough search was conducted and three (3) responsive documents were located here at NSWC Crane. The documents were redacted consistent with two applicable FOIA exemptions at 5 U.S.C. § 552(b) Exemption 4 and Exemption 6. Exemption (b)(4) protects commercial or financial information received from a private source when disclosure is likely to cause substantial competitive harm to the source. Exemption (b)(6) exempts personal information from release which, if released would result in a clearly unwarranted invasion of personal privacy. Each redaction has been annotated to show the applicable FOIA exemption.
